

Get money for your books!

SEE WHAT YOU'LL SAVE AT THE TIME OF PURCHASE

We know that saving money on textbooks is at the top of your priority list. Through our **Guaranteed Buyback program**, MBS Direct guarantees that you will receive cash back on any title marked Guaranteed Buyback.

At the time you purchase your Guaranteed Buyback eligible textbook, you will receive a quote for the minimum amount you can expect to receive when you sell the book back, as long as it is in acceptable condition. But remember, that quote is the *minimum* amount you will receive; you could get more than you expect!
