Returns & Refunds

MBS Direct allows all books and materials (new or used) to be returned within 14 days of the course start date or the date received (whichever is later) for a full refund. New items must be returned in new condition to receive a full refund (books may not have any kind of writing or marking; pre-packaged bundled items must be in original unopened packaging). We are not responsible for lost shipments. Credit for returned items will be issued in the same manner that the payment was originally made. Please allow 2-3 weeks for processing.

Buyback Procedures

Two weeks before the end of term, we will email you a buyback quote listing the value of your books. All books that have resale value will be bought back as used. Your quote will contain instructions and a prepaid shipping label.
