

# Fall 2010 Courses with Text Changes

## Did you know?

- that the up coming quarter textbook listing is available for purchase 4 weeks before the start of the quarter
- that if you have your current email address on file with the Campus Business Office you will receive an email from MBS advising you when your University book voucher funds are available for use
- that you can use book voucher funds to purchase your book online
- that you can sell your used books any time through the MBS Online buy back program
- that the courses listed below will have a change in instructional materials for Fall 2010

For more information on these and additional services offered by the MBS visit
