

## Fall 2010 – eChapters

What are eChapters? eChapters offer students immediate access to the first few chapters of the textbook assigned to their course. This material located within the online platform of the course, enables students to keep up with required reading and assignments while waiting for the print material to arrive. eChapters are a savings to students who may be ordering late and would pay additional shipping costs for quicker delivery. For Fall 2010 the list of eChapters available free of charge are listed below.

### **How do students gain access to eChapters?**

eChapters for these textbooks can be accessed through the online platform for the course. Students have access to the eChapters on the first day of the term.
