

HOW TO CREATE AN ONLINE BUYBACK QUOTE

Use this comprehensive, step-by-step guide to participate in the nation's leading buyback program.

How-To Create A Buyback Quote

Visit your Virtual Bookstore

Click the "Sell My Books" tab. **You must log in using your username and password.** A list of your recently purchased textbooks will appear. This list displays which books have buyback value and how much money you can expect to earn from those books. You may select which titles you wish to sell and may include additional books by inserting the ISBN.

View Customer Loyalty

If you have previously purchased your books from the Virtual Bookstore, those books will be listed, along with their buyback value. A Customer Loyalty Bonus on qualifying books will also be included, along with the corresponding buyback price.

Are You A New Customer? Please Register

If you are a new customer of MBS, you must create a username and password. To sell back your books, you must first enter each corresponding ISBN. Click "Continue" to proceed. You will be asked to create an account before continuing. When creating a new account, be sure to write down your password for future reference to take advantage of our Customer Loyalty and Guaranteed Buyback Programs. Double check to make sure all the information you entered is correct.

Confirm Mailing Address OR PayPal™ Account

Once your buyback cart has been created, confirm your mailing address and agree to the Terms and Conditions. In addition, we can credit your PayPal™ account with the buyback amount. If you choose PayPal™, please make sure you accurately enter the email in which you use for PayPal™.

Finalize Your Quote

Select "Finalize My Buyback Quote" to complete your quote. **A quote is not finalized until it includes a quote number and expiration date.** Your finalized quote is available by clicking the button on the confirmation page.

Print Your Pre-Paid Shipping Label

After you finalize your quote, we will email you a UPS pre-paid shipping label. Be sure to place this on the package you are sending to MBS for free shipping.

Print Your Quote

Print your final quote. Please include your quote with the books you plan to sell back. It is advised to keep a copy for your records.

Ship Items To MBS

Be sure to secure all textbooks, course materials, and copies of your buyback quote in the package you are sending to MBS. All too often, we won't be able to purchase textbooks back because the parcel will get damaged in transit. These types of damages can be attributed to poor packing.

Wait for Your Money

After your books have been processed, you will receive another email confirming their value. A check will be sent to your mailing address or we will credit your PayPal™ account. Please allow approximately 2 to 4 weeks for the entire process to occur.

***Please Note:** You will not receive payment for books that do not meet our minimum standards of quality. If you are unsure of whether or not your book is acceptable, simply ask yourself if you would be satisfied if we sold it back to you. If for some reason we deem one of your books unacceptable, we can return it at your expense.
